# RHINO MASK

Rhinos are brave,  
and  
Rhinos are strong!  
Do you know who  
else is too?  
That's right, YOU!

To make your mask, you will need:

Colouring crayons

An adult to help!

A pair of scissors

A piece of elastic or string

~ ~

Step 1: Once your mask is printed, colour it in.

Step 2: Ask an adult to help you cut along the dotted lines. (Don't forget the circles for the eyes and the elastic!)

Step 3: Tie each end of the elastic to the holes on the side of the mask.

Step 4: Put the mask on with the elastic around your head....

Step 5:

Be awesome!
